PREFACE

I am pleased to present the Financial Statements of the Government of Balochistan for the year ended 30 June, 2023 together with the Auditor's Report thereon.

The Financial Statements of the Government of Balochistan for the financial year 2022-23 have been prepared by the Accountant General Balochistan under Section 5 of the Controller General of Accounts (Appointment, Functions and Powers) Ordinance, 2001 and are the responsibility of the Controller General of Accounts (CGA).

In response to the changing nature of stakeholders' requirements for making informed decision making based on financial information and developments in the public sector accounting standards, the role of CGA has transformed. Stakeholders now expect high quality, reliable and relevant financial reports and the focus of CGA is not limited to reporting historical results, but is now constantly moving towards enhancing public value, by providing the legislature and the executive through the Financial Statements an insight of the Government's financial performance.

In December 2000, Auditor General of Pakistan prescribed New Accounting Model (NAM) with the approval of the President of Pakistan under Article 170 of the Constitution of Islamic Republic of Pakistan. NAM, which conforms to international best practices, comprises of seven volumes and is based on Modified Cash Basis of Accounting in which, though cash basis of accounting is followed, the following additional concepts were introduced:

- Commitment Accounting
- Physical and Financial Assets Accounting
- Liabilities Accounting

Commitment, asset and liability accounting practices are not yet implemented and these financial statements have been prepared on cash basis of accounting and do not include accrued receipts and liabilities.

The current year's Financial Statements have been prepared under NAM and the format of International Public Sector Accounting Standards (IPSAS) Cash Basis – Financial Reporting under the Cash Basis of Accounting has been adopted for the preparation of these Financial Statements.

These Financial Statements focus on reporting the budgetary activity of the Government for the financial year as laid down in the financial procedures of the Constitution which describes the Government as Provincial Consolidated Fund and Public Account for

which Annual Budget Statement is authorized by the Provincial Assembly in the form of Budgetary Grants.

Finally, it is important to emphasize the value of sustained and dedicated efforts towards excellence in public sector financial accounting and reporting. Moving forward, management and staff of CGA are working closely to address the challenges and issues which can limit the quality, transparency and reliability of financial reports. Through excellent financial reporting we are committed to support the decision making critical to the nation's fiscal future.

Auditor's Report

I have audited the accompanying financial statements of the Government of Balochistan, which comprise the statements of receipts and payments for the year ended 30th June 2023, statement of cash flows, statement of comparison of budget and actual amounts by function, statement of comparison of budget, actual expenditure by department and statement of appropriation of grants by object for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and proper presentation of these financial statements in accordance with the applicable financial reporting framework.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit in accordance with the requirement of Articles 169 and 170 (2) of the Constitution of the Islamic Republic of Pakistan read with Section 7 of the Auditor-General's (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001. I conducted my audit in accordance with the International Standards for Supreme Audit Institutions (ISSAIs) and others guidance issued by my department. These standards require that I perform procedures including risk assessment to obtain reasonable assurance whether the financial statements are free of material misstatement. The audit process includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements. It also includes assessing the accounting policies used, as well as evaluating the overall financial statements presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion:

- a) These financial statements properly present, in all material respects, the financial position of the Government of Balochistan as on 30th June 2023 and the results of its operations, its cash flow and its expenditures and receipts by appropriation for the year then ended in accordance with the stated accounting policies of the Government of Balochistan.
- b) The sums expended have been applied, in all material respects, for the purposes authorized by the Provincial Assembly and have, in all material respects, been booked to the relevant grants and appropriations.

Other Reports

Reports covering significant aspects of the financial governance or economical and effective utilization of public resources are submitted separately to the Governor under Article 171 of the Constitution of the Islamic Republic of Pakistan.

Accountant General Balochistan

1. **REPORTING ENTITY**

Provincial Government Balochistan (the Government) conducts its operations under the Rules of Business 2012. These rules were made pursuant to Article 139 of the Constitution of the Islamic Republic of Pakistan, 1973 (the Constitution) and envisages Provincial Government as comprising of Provincial and their attached departments. Financial procedures of the Constitution describe the Government as Provincial Consolidated Fund and Public Account of the Province for which Annual Budget Statement is authorized by the Provincial Assembly in the form of budgetary grants. These financial statements focus on reporting the budgetary activity of the Government for the financial year.

Article 170 of the Constitution confers the powers of defining the form, principles and methods of the accounts of the Province to the Auditor General of Pakistan, with the approval of the President. New Accounting Model was prescribed by the Auditor General of Pakistan in 2000 which describes Provincial Government as an accounting and reporting entity comprising of;

- a) Centralized Accounting Entities; for which the Accountant General has the primary responsibility for accounting and reporting.
- b) Self Accounting Entities; There are no Self Accounting Entities for which the Principal Accounting Officer has the primary responsibility for accounting and reporting.
- c) Exempt Entities; special purpose authorities/organizations and all the Government owned corporations/ companies which are required to prepare their financial statements under their specific Statute or Companies Ordinance, 1984 are classified as exempt entities. Financial statements of these entities are not consolidated in the financial statements of the Provincial Government. New investments made by the Provincial Government in such entities are capitalized and any grants to the entities are classified as an expense of the Provincial Government, if any, in the financial year to which they pertain. Return from these entities in the form of dividend or interest is classified in the consolidated fund as non-tax revenue.

These financial statements include all centralized accounting entities.

2. BASIS OF CONSOLIDATION

These financial statements have been prepared by consolidating the accounts of all centralized accounting entities. Material inter-government transactions have been eliminated in consolidation.

3. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the New Accounting Model (NAM). In December 2000, Auditor General of Pakistan prescribed NAM with the approval of the President of Pakistan under Article 170 of the Constitution of Islamic Republic of Pakistan and the implementation of NAM is an on-going process. However commitment, asset and liability accounting practices have not yet been implemented and memorandum registers for assets and commitments do not exist and accounting of liabilities is not done in accordance with NAM.

4. ACCOUNTING CONVENTION AND BASIS OF PREPARATION

These financial statements have been prepared under the cash basis of accounting which recognizes transactions and events only when cash is received or paid by the entity. Assets and liabilities in the disclosed notes are on a historical cost basis.

These financial statements have been prepared as per the requirements of NAM that supports international best practices. Government of Pakistan is moving towards full implementation of the International Public Sector Accounting Standards (IPSASs) issued by the International Federation of Accountants (IFAC). The implementation process initially includes the adoption of Cash Basis IPSAS - Financial Reporting under the Cash Basis of Accounting. The statement of cash receipts and payments, statements of comparison of budget and actual amounts by function, statements of comparison of budget and actual expenditure by departments and notes forming part thereof have been prepared on the format of Cash Basis IPSAS - Financial Reporting under the Cash Basis of Accounting. The statement of cash flows as required by IPSAS 2 - Cash flow Statements has also been presented, as encouraged by Cash Basis IPSAS.

The financial statements for the financial year 2022-23 have been prepared and presented in order to make a fair presentation of all the relevant financial information without making any change in the fundamentals applied and all policies have been applied on a basis consistent with the previous year.

5. REPORTING AND BUDGET PERIOD

The reporting and budget period of these financial statements is the financial year 2022-23 (from 1 July, 2022 to 30 June, 2023).

6. **REPORTING CURRENCY**

The reporting currency of these financial statements is Pak Rupee which is Provincial Government's functional and presentational currency.

7. SIGNIFICANT ACCOUNTING POLICIES

7.1 Revenue recognition

Revenue is recognized on the date of receipt of money by the Bank or clearance of cheque. Revenue is recognized on a gross basis and any related costs are recorded separately. Receipts representing recovery of any previous overpayment are adjusted against the relevant expenditure, if it occurs in the same financial year.

7.2 Recognition of expenditure

Expenditure is recognized on the date when payment is made or cheque is issued. Financial year to which the payments pertain is determined by the date on which a cheque or payment advice is issued. Policies for recognition of expenditure

a) Payments made through cheque

Expenditure is recognized on the date the cheque is issued.

b) Inter Government transfers

Expenditure is recognized on the date the transfer is made by the transferor.

c) Payments directly in Bank accounts

Expenditure is recognized on the date the payment advice is issued to the Bank.

d) Direct payments by the State Bank of Pakistan (SBP)

Expenditure is recognized on the date when State Bank of Pakistan advises repayment of loans and other direct payments to the relevant accounting office.

e) Imprest payments

Expenditure is recognized when the required claim vouchers are submitted and Imprest account is reimbursed.

7.3 Foreign currency

Transactions in foreign currencies are recorded in the books at the rates of exchange prevailing on the date of the transaction. Exchange differences arising on settlement of these transactions are recognized in the statement of cash receipts and payments, but are not disclosed separately.

7.4 Employee benefits

The government has following plans for its employees:

a) General Provident Fund

An employee compulsorily subscribes to the General Provident Fund from the date of appointment and monthly subscription is by way of deduction from the monthly payroll at a uniform rate of subscription, as advised by the Government for a financial year as laid down in the Provident Funds Act (XIX of 1925) and General Provident Fund Rules. The Government pays interest on provident fund balance and is recorded as expenditure in the financial year.

b) Pension

The entitlement of Government employees to a stream of payments after they retire from service. No liability for pension is recognized in the financial statements and pension payments made during the year are recorded as

c) Encashment of leave

This represents liability arising from entitlements to the various forms of leave earned by government employees. No provision is made and the expenditure is recognized on the basis of payments made during the year.

7.5 Investments

All investments made by the Government are initially measured at cost being the fair value of consideration given plus transaction costs that are directly attributable to their acquisition.

Subsequent to initial recognition, investments are carried at historical cost. Any dividend received against investments are recognized when received in the Provincial Consolidated Fund.

7.6 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents comprise of cash with the State Bank of Pakistan.

7.7 Liability

Liabilities are future sacrifices of economic benefits that the Government is presently obliged to make as a result of the past transactions. All liabilities are recorded at historical cash value.

7.8 Public debt

Public Debt comprises of cash inflows from banks, similar lending agencies, commercial institutions and amounts owing in respect of non-cash assistance provided by third parties and foreign borrowings. All debts raised are classified as either floating or permanent debts depending on the nature of the transaction.

7.9 Assets

Assets are future economic benefits controlled by the Government as a result of past transactions or other past events. Assets are recorded at cost and currently no depreciation is charged.

7.10 Loans and advances

These include loans and advances due from autonomous bodies, financial and non-financial institutions, Government servants for house building, purchase of conveyance and other loans. Loans to Government servants are interest bearing and interest is calculated in accordance with the General Financial Rules.

7.11 Payments by third parties

The Government also benefits from goods and services purchased on its behalf as a result of cash payments made by the third parties during the period by way of loans and contributions, in the shape of grants and aid. The payments made by the third parties do not constitute cash receipts or payments controlled by the Government as defined in the Cash Basis IPSAS - Financial Reporting under the Cash Basis of Accounting, but do benefit the Government, as the Government does not receive cash (including cash equivalents) directly from, or gain control of the bank accounts or similar facility established for its benefit by, the third parties. Payments by third parties, if any, are disclosed in the payments by third parties column on the face of statement of cash receipts and payments and notes to the financial statements.

12.1 The development surcharge on natural gas is levied under the Natural Gas Development Surcharge Ordinance, 1967. In pursuance of the said Ordinance, the federal government has to fix the sale price for the consumers and prescribe a price for the gas companies. The difference between the two prices is the margin available to the Government as development surcharge. The surcharge on natural gas is transferred to the Provinces according to the production of gas in a Province.

12.2 Royalty on crude oil and natural gas is received under the Pakistan Petroleum Production Rules, 1949 at the rate of 12.5% on the well head value of production. Federal Government collects royalty on crude oil and natural gas which is transferred to the Provinces on well head production basis after deduction of 2% collection charges.

12.3 Mineral Royalties are Provincial Government's own collection from mineral resources extracted from various areas.
