## **PREFACE**

Financial Statements of Azad Government of the State of Jammu and Kashmir for the year ended 30<sup>th</sup> June, 2022 have been prepared by the Accountant General Azad Jammu and Kashmir under section 5 of the Controller General of Accounts (Appointment, Functions and Powers) Act, 2005 and are the responsibility of Controller General of Accounts (CGA).

In response to the changing nature of Stakeholders requirements for making informed decisions based on financial information and development in the Public Sector Accounting Standards, the role of CGA has transformed as now stakeholders expect high quality, reliable and relevant Financial Reports. The focus of the CGA is not limited to reporting historical results only, but is now constantly moving towards enhancing public value, by providing the legislature and executives, through the financial statements an insight of the Government's financial performance .

Auditor General prescribed New Accounting Model (NAM), which conforms to international best practices. It comprises of seven volumes and is based on Modified Cash Basis of Accounting in which, though cash basis of accounting is followed for recording Receipts and Expenditure the following additional concepts have also been introduced:-

- Commitment Accounting
- Physical and Financial Assets Accounting
- Liabilities Accounting

Commitment Accounting and Assets recording practices are not yet implemented. These Financial Statements have been prepared on cash basis of accounting and do not include accrued receipts and liabilities.

The current year's Financial Statements have been prepared under NAM and the format of International Public Sector Accounting Standards (IPSAS) Cash Basis –Financial Reporting under the Cash Basis of Accounting has been adopted for the preparation of these Financial Statements.

These Financial Statements focus on reporting the budgetary activity of the Government for the Financial Year 2021-2022 as laid down in the financial procedures of the Interim Constitution, 1974 which describes the Government funds as AJK Consolidated Fund and Public Account for which Annual Budget Statement is authorized by AJK Assembly in the form of Budgetary Grants.

Finally, it is important to emphasize the value of sustained and dedicated efforts towards excellence in Public Sector Financial Accounting and Reporting. Moving forward, management and staff of CGA are working hard to overcome the challenges and issues which can limit the quality, transparency and reliability of Financial Reports. Through excellent financial reporting, we are committed to support the decision making critical to the State's fiscal future
